About the Teacher

Jeanette Tebele Terzi is a fine artist born and raised in Brooklyn, NY. Jeanette studied at the Fashion Institute of Technology and received her Associate's in Fine Arts in 2021 and her Bachelors in Fine Arts in the Spring of 2025. Jeanette has worked in multiple high schools teaching Studio art to grades 9-12.

Jeanette works with all types of mediums, but her favorite is oil paint. She spends her summers in New Jersey, teaching over 100 students to paint, and ends the summer with an annual art show showcasing their work. She donates her free time to organizations, helping with charity paint classes and curating charity art shows.
